

**with the Lenox Hill Hospital and Dr. Robert Rosen, Dr. Milton Waner,
Dr. Francine Blei, and Dr. Roy Geronemus**
Saturday, October 6, 2018 | New York, NY

Thank you for your interest in sponsoring our 2018 Vascular Birthmarks Conference that will take place on Saturday, October 6, 2018 at the Lenox Hill Hospital, 131 East 76th St. in New York City. We are pleased to announce that Dr. Robert Rosen, Dr. Milton Waner, Dr. Francine Blei, and Dr. Roy Geronemus are the conference co-chairs.

This year, we are celebrating 24 years of service, with over 100,000 individuals networked into treatment, 3,000,000 monthly views on our world wide websites, 600 families provided free conference lodging, over 500 conference scholarships awarded, 200 Day of Awareness events around the world, 12 college scholarships awarded, 20 conferences, 12 programs (including our Global Ambassador and Anti Bullying Programs), 14 walk/runs, 6 research projects funded, 5 physician education grants awarded, 3 galas, and 4 international missions trips with over 300 treated for free.

The FREE services we offer at our annual conference include: comprehensive lectures, clinic sessions, laser treatments, dental exams, orthodontic exams, make-up sessions, and psychotherapy discussions. We also offer opportunities for families to network with other affected families. This has been made possible by our generous past supporters.

This year, clinic teams will be designated for hemangiomas, port wine stains, vascular malformations and syndromes associated with vascular birthmarks. We typically have over 150 free clinic appointments and Dr. Roy Geronemus provides up to 30 free laser treatments. **All conference fees are waived, without question, if a family states they cannot afford to pay.** In fact, most families request this waiver due to their financial hardship from medical expenses related to a vascular birthmark.

Based on our previous conferences, we anticipate approximately 300 will attend this year. VBF also offers free daycare services to attendees, as well as breakfast and lunch. Your sponsorship will enable these families to continue to receive these free services.

We invite you to review the description of the benefits associated with each sponsorship level. Feel free to contact me with any questions. VBF is a fully approved 501(c)(3) charitable organization.

Sincerely,

Linda Rozell-Shannon

Dr. Linda Rozell-Shannon, PhD
