

Sponsor a Family

Each year it costs VBF \$500 per family in order for them to attend our annual conference where they receive an accurate diagnosis, a suggested treatment plan, and support. Costs cover lodging, meals and clinic/conference fees per family. You can give a portion or give the full amount. Sponsor a family TODAY as a VBF Day of Awareness event, a fund raiser, an office activity, a business, a family celebration, or as an individual. You can also include a brief note in your own words to the family you will help to sponsor for our next annual vascular birthmarks conference. Thank You for helping to sponsor a family for this life changing event.
