

The Vascular Birthmarks Foundation Dr. Martin C. Mihm Health Career Scholarship

The Vascular Birthmarks Foundation (VBF) is an international charitable organization that networks families affected by a vascular birthmark, anomaly, or related syndrome (VBARS) to the appropriate medical professionals for evaluation and/or treatment, provides informational resources as well as sponsors physician education, mobilizes medical missions, and supports research and programs that promote acceptance for individuals with birthmarks. VBF accomplishes its mission through research, education, and advocacy on the international, national, state and community levels. Since its inception in 1994, VBF has successfully networked thousands of children and adults into treatment, sponsored significant research, educated physicians and affected family members about the diagnosis and treatment of vascular birthmarks, and has established chapters all over the world.

VBF is pleased to offer a scholarship that supports students with vascular birthmarks and honors Dr. Martin Mihm, Jr. for his outstanding work in the research of vascular birthmarks. Preference will be given to students who plan to pursue an undergraduate degree in the field of public health, health promotion, or disability studies, to include disability policy and disability research.

Scholarships will be limited to \$1,000 each. The VBF Scholarship Committee will evaluate each of the applicants and make their decision in the spring of each calendar year. It is at the discretion of the VBF Scholarship Committee to determine how many scholarships will be awarded each year. GPA is not a prerequisite.

Criteria:

- Applicants must be enrolled or anticipate enrollment as a full-time student in an undergraduate or graduate degree program (freshman or greater status).
- Applicants must have a vascular birthmark and provide documentation of their birthmark.
- Applicants must be a US citizen or legal resident living in the US and enrolled in an accredited US university.
- Applicants will be required to conduct a Day of Awareness campaign on their college campus to advocate and raise funds for VBF.

Requirements:

- Applicants must provide a Personal Statement (maximum of 800 words), including brief personal history about their life with a birthmark, educational/career goals, extracurricular activities, and reasons why they should be selected by the VBF Scholarship Committee.
- Applicants must provide two (2) Letters of Recommendation (one must be from a teacher, employer, or academic advisor).
- Applicants must provide a copy of their high school/college transcript.
- Applicants must agree to allow VBF to use their name, picture, and story in future scholarship materials.
- A photograph of the applicant's birthmark must accompany their application.

How to Apply:

Apply online at www.birthmark.org/scholarship/. You may also attach your application, supporting materials, etc. and email to Chris at chris@birthmark.org or mail to:
