

The Vascular Birthmarks Foundation, PO Box 106, Latham, NY 12110

Dear VBF 2024 Super Clinic Partner:

2024 ushers VBF into its 30th year of networking patients into treatment (1994-2024). Thanks to partners like you, we hope to be going for at least another 30 years.

VBF finished our 29th year, 2023, with a stellar performance. Look at these numbers: 159 free consultations, 124 free laser treatments, 53 free Sturge-Weber Syndrome assessments, 59 free ultrasounds, 32 free dental exams, 25 free psychotherapy sessions, 8 free “Lead with Kindness” children’s activities, 56 free hotel rooms provided, and 34 free parking permits issued. This totals 550 free services provided to patients from 23 countries and 22 US states. Who does this? No one but VBF does this for the birthmarked community. And, we can only continue to provide these free services with your financial support.

Once again, we are asking you to partner with us for our VBF 2024 Super Clinic in NYC. We are expecting well over 250 in attendance. We hope you will be there to see the magic that happens when we all work together to help families affected by vascular birthmarks, anomalies, and/or related syndromes (VBARS). This VBF 2024 Super Clinic will be held October 4-5, 2024, in NYC, with Dr. Roy Geronemus and Dr. Robert Rosen as the Medical Directors. Free laser, ultrasound, and dental will also be offered, as well as free psychotherapy sessions and free consultations. And, of course, free lodging and parking for our families. It should be an EPIC Super Clinic.

Please respond by 3/1/24 to let me know your level of sponsorship for our VBF 2024 Super Clinic. Sponsorship payments are NOT due in full until 6/1/24 but I would like to know your level of commitment, as soon as possible, so that we know how many free lodgings we can provide to our families.

Together, we are truly making a difference in the lives of families affected by a vascular birthmark, anomaly, and/or related syndrome. Thank you for your past, present, and future support of our work. Let us continue to work together to provide hope for this community. Thank you, on behalf of VBF and our affected families.

Sincerely,

Dr. Linda Rozell-Shannon, PhD
President/Founder
The Vascular Birthmarks Foundation

The VBF 2024 Super Clinic - NYC

With Dr. Roy Geronemus and Dr. Robert Rosen

October 4-5, 2024
